

Training for Frontline Staff
and Team Leaders

Team Synergy Essentials

Learn how to Support a Stronger,
Thriving Workplace

Strong teams and positive workplaces are built on
clear communication and mutual respect.

Team Synergy Essentials combines the actionable
strategies of **Communicate with Influence** and
Positive Workplace Practices to provide a
comprehensive, full-day training experience.

You'll learn to communicate with clarity, handle conflicts with confidence
and promote respect, inclusion and collaboration within your workplace.

Whether you're leading a team or working within one, this course will
empower you to build stronger relationships, inspire teamwork, and
contribute to a positive culture where everyone has the opportunity to
thrive.
