

Training for Emerging  
and Aspiring Leaders

# Manage Problem Employees

Turn Challenges into Opportunities

Discover how to tackle performance issues with confidence and professionalism with **Manage Problem Employees**. Designed for new and experienced team leaders and managers, this training equips you with the tools to address performance challenges effectively while fostering a culture of growth and accountability.

Learn how to communicate expectations clearly, bridge performance gaps, and unlock the potential of every team member. Gain practical strategies to guide underperforming employees toward success through meaningful feedback, structured development plans, and fair performance management techniques.

Turn difficult conversations into productive outcomes and create a thriving, high-performing team.
